To whom it may concern:

The Squeegee Squad was contracted to clean all exterior and interior windows at St. Petersburg's Main Library located at 3745 9th Ave. North after an extensive renovation/ construction project. They showed prompt response to our changing schedule and performed a great job. Our expectations were exceeded and they actually completed the work ahead of schedule and in time for our grand re-opening to the public. In my opinion, it was the finishing touch and final detail that made our project a huge success.

Both, the administrative staff as well as the staff on-site was courteous, efficient and safety oriented. They represent a quality window cleaning service.

Please feel free to call me at 727.892.5865 for personal testament of their work.
